

HR ROUNDTABLE | EMEA

Join Us

In today's rapidly changing economy, talent is not only critical, it's also scarce. How can we attract and retain talent?

Steelcase

Organizations are continuously looking for ways to not only attract and retain talent, but also to engage and nurture them, because engaging the best talent can drive higher productivity and enable organizations to be more agile.

Join us as we discuss how workplace can help to improve and promote engagement, collaboration and learning.
